MEMORANDUM FOR THE CABINET

FROM: CRAIG L. FULLER *CLF*
SUBJECT: Private Sector Survey

As the President indicated at last week's Cabinet meeting, the Private Sector Survey program will soon be launched. J. Peter Grace, Chairman and Chief Executive Officer of W. R. Grace & Co., will be announced on Wednesday, March 3, as the Chairman of a 30-member Executive Committee which will guide this program. Other members of the Executive Committee will be announced following the President's return to Washington.

In order to assist the Private Sector Survey which intends to search for savings throughout government, we would like you to designate a senior member of your Department with whom the Private Sector Survey teams can coordinate. We will keep you informed of program development through this contact. The person will be asked to assist the Private Sector Survey team in its contact with your Department at the appropriate time.

Please provide my office (Adele Gonzalez at 456-2823), with the name of the individual you wish to select by March 10, 1982.
